

FREE BUMPS & BRUISES CLINIC

Peak Performance Physical Therapy is pleased to offer a FREE “Bumps & Bruises” Clinic for local middle and high school athletes. Peak therapists will screen sports injuries from 6:00—7:00 p.m. on Monday evenings. The athlete’s coach contacts Peak Performance Physical Therapy to set up an appointment by calling 923-0410. Athletes will be placed on a list and will be seen in the order in which they arrive. The physical therapist will evaluate the injury and make appropriate recommendations to the athlete, parents and coach.

*We look forward to getting
your young athletes back to
play healthy and fast!
